

Kestrel Class Autumn 1

This half term, choose activities from the grid to complete. I am looking for quality pieces of work which you would like to complete to show off your skills and interests. Some of these pieces have links to previous or future learning. Some of these pieces, once shared with the class will go on display for the whole school to see.

You have until the Thursday before half term (23rd October) to complete at least **two activities**. When you have completed an activity, colour in the box on the grid. You may complete this homework in any form for such writing, photographs, art work, computer, printout, presentation etc. If you want to challenge yourself and complete more activities, you are welcome to do so.

You can either hand a piece in (with your name on it) when complete or hand it all in at once. You can also submit your work via email to the office who will then forward it onto Mr Suckling.
